CUSTOMER COMPLAINT REPORT

Complaint No.	CC-2026-00161	Date Received	21 July 2026
Received Via	Distributor	Logged By	P. Kulkarni, QA Officer

1. COMPLAINANT DETAILS

Customer Name	Northbridge Hospital Pharmacy	Contact Person	Dr. A. Menon, Chief Pharmacist
Site	Northbridge General Hospital, Pune	Purchase Order	PO/NBH/2026/2210

2. PRODUCT & BATCH DETAILS

Product Name	Cefixime Dispersible Tablets	Product Strength	200 mg
Batch / Lot No.	CFX250918B	Quantity Affected	3 blister strips (30 tablets)
Manufacturing Date	September 2025	Expiry Date	August 2027
Quantity Supplied	600 strips		

3. NATURE OF COMPLAINT

The hospital pharmacy reported that tablets in three blister strips had developed brown mottling on the tablet surface and a faint sulphurous odour on opening.

The blister foil showed partial delamination along one edge of each affected strip. Storage records confirm the cartons were held at 22-24 C and 48-55% RH throughout.

The pharmacy has withdrawn the affected strips from dispensing and requests investigation and replacement stock.

4. ATTACHMENTS PROVIDED BY CUSTOMER

- Photographs of mottled tablets (3 images)
- Pharmacy storage temperature log for July 2026

Acknowledged To Customer	Yes - 12 July 2026
Investigation Reference	To be assigned
